The Town of Knightdale is proud of the youth programs being provided by Knightdale Parks and Recreation Department. The Town is appreciative of the outstanding contributions of the many adults who serve as coaches, assistant coaches, leaders and instructors in these programs.

The youth basketball program is one of the largest programs offered by Knightdale Parks and Recreation Department with hundreds of boys and girls participating each year. Youth ages 5-16 are eligible to participate in organized leagues. Games and practices are held at local school gyms. Volunteer coaches and assistant coaches help ensure the continued success of these programs.

Knightdale Parks and Recreation Department has prepared this Handbook to assist our coaches and their assistants. The guidelines and rules set forth herein are intended to provide a system of organization, methods of operation, and rules and regulations necessary for a successful youth basketball program in the Town of Knightdale.
